

Newmarket 61st Annual Atom Tournament

MAJOR ATOM TEAM PLAY

There are eight teams in the Major Atom "AA" and the Major Atom "A" divisions. All teams are guaranteed three games.

In the Major Atom "AA" division, round robin play will determine order of finish. The first place team of Group E will play the second place team of Group F and the first place team of Group F will play the second place team of Group E. Similarly in the Major Atom "A" division after round robin play, the first place team of Group G will play the second place team of Group H and the first place team of Group H will play the second place team of Group G.

The winners of the semi-final games will advance to play for the Major Atom "AA" and "A" Championships
